

## **MAKERSPACE POLICY**

### **Purpose**

The La Grange Park Public Library provides the public with access to equipment to support educational, professional, and personal enrichment.

### **Equipment for Public Use**

Access to Makerspace equipment for public use may be limited by the availability of qualified staff. Requests for Makerspaces services can be made by contacting Makerspace staff, who will provide information on equipment availability and capability.

### **Charges and Materials**

Patrons may be responsible for subsidizing the cost of materials. Staff will assist patrons in finding the best approach for acquiring materials based on project requirements.

### **Staff Assistance**

Staff will be glad to assist patrons with design needs as time permits. Patrons will use select equipment only with the direct supervision of a staff member.

### **Disclaimers**

Staff cannot guarantee that items produced will fulfill the intended purpose of any given project.
